

FIRETECTION

By  HDX GROUP PTY LTD

ARE YOUR COMMERCIAL PREMISES/RESIDENTIAL BUILDINGS COMPLIANT?

With the growing awareness of the need to have everything in place to make our homes and commercial premises fire safe, why not speak to your local professionals about what is required?

Have your Smoke Detectors, Fire Extinguishers, Fire Doors, Hose Reels & all other fire safety measures been inspected and tested as per Australian Standards by qualified technicians? **If not, then you may be unsafe!**

STAY SAFE & COMPLIANT -

CALL our qualified & experienced team to carry out your inspection & testing needs and be SURE of your SAFETY

PHONE : 02 47217500

We can also have our Electricians check your switchboard and carry out thermographic Imaging , providing you with a full condition report & recommendations

Or our Plumbers can carry out a range of checks & inspections including backflow testing & CCTV inspections for all of your plumbing needs

We can do it all !
